Comments

“ I never had the pleasure of meeting Brian, but I have heard a lot about him from Rasheed. Losing someone that you love is never easy but remember that we are only separated from them briefly. Our time here on earth is temporary so when you meet in heaven it will be for the rest of eternity. I am praying for your family to find the strength to get through this. When it seems impossible, lean on the Lord, he will carry you through even the toughest of times.
With warm thoughts and never ending prayers,
Heather Harris

“ My loving husband! Me and the boys love you to heaven and back. You are my rock and I'm going to miss you every minute of every day. You were my everything. The love between us was unbreakable. I love You and I miss You so much. You took a piece of my heart when you left. You are forever mine baby! We will be together again. Watch over us baby!

“ He was a very sweet and funny guy. He had the ability to make you laugh which is exactly how Earnest and Gary and the rest of the Kelley boys handled things. A very handsome man and I know he will be missed. I will be praying for ya'll.
