

JoAnna Borchert

March 11, 1939 - January 9, 2019

Borchert, Joanne (Kajak), age 79, of Columbiana, passed away at University of Alabama Birmingham Hospital on Wednesday, January 9, 2019.

Joanne was born March 11, 1939 in Cleveland, Ohio. She married the love of her life, Kenneth Borchert in the fall of 1958. The couple settled into Medina, Ohio and eventually purchased a 40 acre farm where she spent several years chasing their children, Michael and Shelly, and grandchildren before retiring to Ormond Beach, Florida.

Joanne was a jack of all trades, working as a barber, waitress, and farmhand, but her most treasured label was always wife, mother, grandmother, and, eventually, great grandmother. If family was in town you could find her scurrying around the kitchen or smiling with the kids, always making sure everyone was taken care of.

She was devoted in her faith to our Lord Jesus Christ and was an active member at their Lutheran church. She was the embodiment of a good and faithful servant. Although her earthly flesh has left us we know that when she walked into those pearly gates her Heavenly Father picked her up and said "Welcome home."
