“ *I am saddened to hear of the passing of AB. My sincere sympathy to Dean, Donny and families. She was a special lady and I know she is dancing on those streets of gold with friends and family that have gone before her! What a reunion that is! I'll see you again one day and we'll dance!*

“ Dean,

I am so sorry about your Mom;s death. May she Rest In Peace. We now know she is in her Happy Place, no more pain and problems. She is in God Arms. I know you will miss her terribly, but now, believe she is always with you. God will give you the strength.

Love you,

“ *What we are feeling right now is hard to put into words. BB became the grandmother I never had and showered my daughter with more love and laughter in the past 11 years than some might get in an entire life time.*

We have so many fond memories of her including her uncontrollable cackle, her never meeting a stranger, her dressing up for Halloween, her love of cooking for her loved ones, dancing whenever she heard music, her wonderful stories about growing up in the country, her yummy ice cream bar desert, her refusal to wear a seat belt whenever in our car, her strength and wisdom, her Xmas decorations, taking her for her first pedicure, her artistic ability with a simple crayon, her jumping off of our diving board at 85, her glittery outfits and always giving us the best hugs. She was one of a kind and we are blessed to have been part of her life.

*We share in your grief and send you our love, prayers and strength.
