“ I am so very sad to learn of Adam's passing. We first met at beginning of EASi's new office in Hoover. He was an interesting person with a kind heart. He shared alot of stories of the different places that he had lived and worked. He also knew how to dress well, a sports coat for every occasion. He was a true Southern Gent and he will be missed!

“ Although I only knew Adam a relatively short time, he was a good co-worker and a great friend. A truly good person with a kind, loving heart and would help anyone. I'm so sorry for his passing and I will miss hearing about his dogs, chickens and talking about Alabama football. Rest In Peace, friend.

“ I am so sorry for your loss. My husband Michael and I worked closely with Adam when we were stationed at Fourmile and worked at Regional Paramedical Services (RPS). He was wonderful, caring person who will be greatly missed by all who knew him. Our thoughts and prayers are with you all. Paula & Michael Shaddix

I am very sorry for the loss. Adam and I use to always monitor our carbs, so at work we would laugh because carbs were in some many different foods that we liked. He will be missed. Rest in peace Adam until we meet again.
