“ My deep sympathies to Shirley , Tim and other family members. My acquaintance with Alvin encompassed only a few years, since he was several years younger than I while in high school. We shared jokes and other important observations on the meaning of life while exercising at the gym. I was very impressed with his intellect and caring attitude towards others. I will miss him too.

“ *Oh my friend....so many wonderful memories over the years! We traveled many miles and oh at the fun you and Shirley and Lemont and I had. One funny memory I have is you coming in the house and heading straight for the cookie jar and Shirley giving you the eye because y'all were on a diet! He always knew where the cookies were! The great times we had in the roping pen at home and traveling off to ropings! You and Breeze were a sight.....I do hope you find him up there....you see I Believe! And I can't leave without mentioning our trips to Buffalo River....Oh what fun and memories! I hope I can get with Shirley in the future and laugh over our wonderful times. Laughter helps heal grief. I loved you Alvin my friend....then, now, always! I pray I will meet you again someday.❤️*
