“ Brandon I am sorry that I just now have heard about Amanda. I just want you to know that you and your family will be in my thoughts and prayers. I pray that the Lord will give you the grace to make it thru the next few months.

“ Prayers for Amandas Family and Friends. I worked with Amanda at BIMA before she left and stayed intouch with her. She was always a sweet, caring person, you couldnt really tell when she was ever mad. She always loved the morning inspirational messages I would send out in the mornings. I always checked on her and she always kept me posted on how she was doing. =(Our last conversation she told me that she was coming home to visit and also to have a procedure done. My last words to her was praying for you and to keep me posted. I LOVE YOU AMANDA! This isnt a GOOD BYE this is a SEE YOU LATER.

“ The memories I have are of Amanda as a little girl and I know she was a beautiful woman inside and out. I only wish I could have known her as she grew into that person and wonderful mother. The years have not changed my love for her and all her family.

My prayers are with you all. May God bring you peace and cover you with His wings of love.

“ *To the Family of Amanda Niven. I am very sorry to hear about the loss of your loved one, Amanda. May the God of comfort heal your heart. The passing of someone you love can be a very hard thing to deal with. I hope you can find comfort in the promise of the resurrection mentioned in the Bible at John 5:28&29. Sincerely,
