Tribute Wall

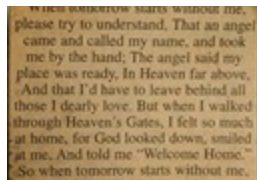

“ I met Angie back around 1980. Our paths crossed when we needed each other. She was a God send for me. Bad marriage and 3 kids with a grandfather who had several strokes. She would sit for my kids while I went to work. And she got along well with my grandfather. If she hadn't been there for me and my family I just don't know how things would have turned out for us. She did her best and loved her children. Lord knows she could out walk anyone to town. She would hardly take a ride. I'll miss her and she will always hold a special place in my heart. She was a hell of a woman back in the day.

Don't know how I'm gonna without you... Everyday, all the time... Memories come flooding back with every little move or thought,going to the store, chicken and dumplings, even laundry.... Some of us even had lunch at your favorite place. You would have enjoyed it so much. I know is you are Wat hing from above with Bob and all if the loved ones that left before you... That gives me happiness and knowing you are singing louder and happier than all the other angels right now. Brings a smile...i love you mama and miss you. But also rejoice for you. .but you already knew that.. Ask God to send us all some peace and special comfort during this time... We all need it to help us through.
