GS

“ *Ann and I were cousins and school classmates. We graduated from high school in the class of 1960. During high school years we spent time with each other. I so enjoyed spending the weekend with her sometimes and going to church with her. Her mother would fix rice with butter and sugar for our breakfast. I loved it and still do. Ann was always my friend. May her family and friends find comfort and peace in the Jesus Ann always loved.*
