“ *Just found out about Ann's promotion to heaven. I was so shocked and so heart broken for you all. I know how close your family has always been and there was a time I felt like I was a part of your sweet family. My parents and your parents always loved being together and playing cards. I will be praying for you all in the days to come for God to help fill the emptiness. I wish I could be there tomorrow with you, but I won't be able to make it happen. I can just see her smiling from ear to ear loving on her Momma and Daddy and Jesus! She had such a sweet smile, always. I love you guys!*
