“ *Eloise was so very special to me and I loved her so very much. We shared a lot of wonderful memories together and she will always be in my heart ❤️ She made me laugh and we had some of the happiest days of our lives when we had our sweet dog pepper, who she is dancing with in heaven with. Eloise and I were good for each other for 18 years, 7 months, and 10 days. She was my best friend. We made every single day that we spent together memorable for each other. I love you ,

“ *Lois was a very loving person. She always told me goodbye when I left Premiere from visiting my dad and that she loved me. Her two daughters were so sweet to everyone. Thank you to her daughter's for my dad's Christmas gift. He loved everything that you gave him. She sure is missed. It won't be the same. Laurie (Ed's daughter)*

“ *Elois, our dear friend, will be missed greatly. She came to visit at least once a week and we would have coffee and talk. I can say, she was never at a loss for words. She was so very kind and we loved her. Elois, you earned your wings. You will always be in our hearts. Love, Ivy & Harvey Eddy*

*My mother's ( Mayo Rush ) best friend since they were little girls! She's the one that named me Sammie Kay, I always remember them talking about the good ole days, it's been a couple of years but every June or July I would take them on their yearly trip to the Peach Park & Durbin Farns. They always got them an ice cream before they left. So even in their golden years they still went on their outings! When they still went to Sunday School, her friend Raymond would take them, & I would pick them up! They always talked on the phone at least once a week! She always called me Babe! RIP Eloise, I will miss you! 🙏❤️*
