“ *Dear Sammy and family--I don't know whether you will recall me or not from the days when I lived with my family, the Cosbys, just outside of Wilsonville. However, I do remember you and Barbara with great fondness. As a teenager, I saw you two as such a loving couple and looked up to you both. It has been so many years since I left Alabama, but with such happy memories of Barbara, I just wanted to express my sympathies and say that my prayers are with you all.*
