“ Edwina, Karen and family. It was with great sadness that I read of Bennie's passing. I loved her like a sister. We traveled many miles together during my time as a traveling ceramic teacher. We shared our love for the art and our fellowship with all the ceramic ladies we met. I'm so glad Jessica and I got to visit with her last year. She will be missed.

“ I enjoyed talking to Ms Bennie on the phone as we tried to solve some of the world problems and also had a couple of enjoyable visits with her and family. She will be sorely missed. She had many friends at FBC. She really enjoyed her ceramics and put out many beautiful pieces. She has now cast down her crowns before her Lord. She left a legacy of a wonderful family.
