“ It was sometime after her passing that I learned of Mrs Brashers death. I want to say that she was a most pleasant person and always had a smile for everybody. I always enjoyed waiting on her and know that she is certainly being missed. I feel that she was a very good seamstress because her pretty clothes she wore looked like they were homeade. I always though as much about Ernest.

“ On behalf of my mother, Goodie Brasher, I know she would want to send her love to your family. Miss Bernice was like a sister to my mother. They spent many hours in each others company and trying to solve the problems in Shelby. I know if she could be with you today she certainly would. With our deepest sympathy from the family of Jack and Goodie Brasher.
