“ *Aunt Betty was my favorite aunt and teacher at Calera High School. She taught me the love of reading. That was one of my favorite memories. She gave me my first mystery book. There are so many memories of us playing with cousins in her back yard. Running, playing with Barbie dolls, playing with Uncle Charles's puppies, the yelling, the laughter, the crying; life growing up as kids. She will be missed but she will always be alive in the memories. With much Love, Martha Halford Green*

“ *Ms. Betty was one of the most gracious, kind and loving people I have ever known. She was definitely a favorite among all the students as she was respected but also showed each one of us respect. I am a better person for knowing her. Rest in Peace Ms. Betty..*
