“ I am so sorry for your loss. The loss of a loved one is so heartbreaking. The Bible holds out a wonderful hope. It says that we can be reunited with our loved ones again. What will it take to convince you that this is a sure hope. To believe in a promise you have to make sure that the person who is making it is able to fulfill it. We can have full confidence in Jesus promises in John 5:21,28,29, he gives us a for sure hope. Psalms 37:10,11,and 29. tell us about the wonderful conditions that we will be surrounded by. We all need something better than what this world has to offer. I truly hope this entry will get to you and your family, so that you can be encouraged from Gods word the Bible.
