“ *ONLY KNEW HER FOR A FEW YEARS, WE TALKED WHILE MR RASCO WAS LOADING HAY, BUT I COULD TELL SHE WAS A DEDICATED WIFE, MOTHER, AND GRANDMOTHER. I KNOW SHE WILL BE MISSED. MY THOUGHTS ARE WITH THE FAMILY.*

“ *I'm Patricia Simmons and I'm related to Louise through my mother, Bama Carter Simmons. Doris and Calvin Rascoe were my great aunt and uncle, Aunt Doris was my grandmother Ida Carter's sister. I remember visiting with all the kinfolks went I was young. They're fond memories and I remember Louise, despite her RA, always working on the farm, never letting her it slow her down. My condolences to her daughter and all the family members.*

“ *Mrs. Louise was such a fine Christian woman. The first time I remember her was at my birthday party when I was 5 or 6. She was there Donna and Ronnie. He was such a sweet boy. I also remember her driving the tractor or pulling the hay trailer, even when her arthritis was so bad. Never a complaint. Always a word of encouragement. I will miss her.*

I never got to meet Louise or Don but I have always wanted to. They took my brother in when he was sick and took him to church and through their love and care he received Jesus as His Lord and Savior. A few weeks before he went home to be with the Lord he came home to Michigan. He was a different person and my mom and I did not know the Lord but this got our attention. We both came to the Lord because of the change we saw in my brother before he went home to be with the Lord. I am forever thankful to Don and Louise for the loving seeds they sowed into my brother and the man that I got to know before he went home!!! I look forward to meeting them both one day!
