“ *Debbie, I hope you know how much Sue and I adored your mom. When we moved to Columbiana over 40 years ago, Betty was one of the first people we met and grew to love. Lordy, did that woman have stories to tell about growing up in Columbiana and all of the goings on and shenanigans that took place throughout her life. What a hoot she was!! I'll certainly miss those long conversations with Betty, the guardian mother of Mt. Dixie. Debbie, please know that we are always here for you.*
