“ To the entire family: Mr. Bill Brasher was the first man I ever met on Hird Island. He was one of my dad, James Gault's, best friends. I remember as a little girl how good looking he was, how suave he was, and how good his cologne always smelled. He was so dashing to all the girls on Hird Island! I rode motorcycles with his children and we did everything together when we were on Hird Island. Also when I grew up and was a waitress at Archie's Restaurant Mr. Bill always had a hug for me and a flashing pearly white smile that only he could give. I will always fondly remember him and his family. He truly left a legacy for all to follow in the world of Hird Island and Darien, Georgia! Mary Linda Gault Hinson

“ Chris, Tracy, Lisa, Christopher and Eric,
Our thoughts and prayers are with you at this difficult time. Cherish the wonderful memories and may they strengthen you in the days ahead.

Bill was part of our family for many years and we had so many great times together. I recall the exciting time Griffin (at about age 5) had at Sea Breeze when Uncle Bill helped him shoot a wood pecker. Then at Bennigan's in Athens, Uncle Bill kept giving 'NatNat' (as he named her) one dollar bills to play games. Oh, Kristin & Griffin got their share, too, but seems they had to ask. He had emptied the car wash money on his way out of town so he equipped. Then, the day Jon, Griffin and I went out on the 'battle ax' with Bill, Pat, Kristin, Chris & Lisa to Blackbeard Island. If memory serves me correctly, Chris and Lisa did some water skiing along way. We ran into some rough waters because we approached a sandbar. Bill had Chris jump out of the boat and turn the boat around pointing the bow of the boat away from the sandbar. To say the least, for a few minutes some of us were frightened. Thankful for quick, knowledgeable and experienced boaters. I can go on and on, but I'll share one other memory.....when Jon, Griffin, Natalie and I drove out to Lenexa, Kansas for Chris and Tracy's wedding. It was our first trip to Kansas, so that was exciting. But, the beautiful wedding ceremony and fantastic reception were awesome. We enjoyed being there with Bill and his family to celebrate his son's wedding festivities. Tracy's family were so welcoming and hospitable.

We send our love,

“ Bill was an every day integral part of the first approximate 20 years
of my life. He lived with his family only a matter of yards from where
I lived. We hunted together, we went to school together (from the
1st grade through high school), we played together as children in
Shelby and we went to church together. I am, of course, saddened
to learn of his death and I wish to express to all of his family
members my very sincere sympathy and condolences.
