“ I respectfully submit my most sincere sympathy and condolences to each and every member of Billy Franks family.

I have many memories of him during the period of my life when I grew up in and lived in the community of Shelby.

“ Terribly sorry to hear of Billy Franks death. Even though I was slightly older, he and I often rode our bicycles together, went swimming in Clear Pond and had all-around fun in Shelby.

Being away from Shelby for so long, I had not seen Billy Frank for many years, but send my sincere condolences to his family.

May the Lord bless and keep you during your bereavement, and help you to realize that Billy Franks memories can never die, and will always be there to sustain you.
