“ *it's your cousin, I may not have known you well considering how young I was when you passed, but not a day goes by that I don't wonder what our connection could be like if you didn't pass. I miss you.*

“ *It's rather mediocre that today marks 7 months without you here. You are missed by so many, and there's so much left to say; however, I know that I'll see you again, and that is what keeps me going each day.*
