“ Mike and Pat: I'm so sorry for the loss of Aunt Bobbie. She was such a sweet lady and very special to me. I can remember her 20 years ago as I would bring Amanda into Davis Drug, she always had a sweet smile and such a sweet loving personality. You all will be in my prayers. I know she is in Heaven walking the streets of Gold. She's a special angel in Heaven now. God Bless, Tracy Shaw and Amanda Poole

“ I am so sorry for your loss. No one wants to lose a loved one no matter what their age may be. However, try to think of the joy that will be when God will "wipe out every tear from their eyes, and death will be no more" (Revelation 21:4) and then we will be able to enjoy countless generations to no end. Again, please accept my sincere condolences.

“ I just wanted to express to you all of our sympathy. When we first purchased Bolton Funeral Home, "Miss Bobbie" was one of the first employees that I personally met. She was so very kind. I understand why everyone was so upbeat with the mention of her name! She just hugged my neck and told me she felt like she had known me all my life and me not having a grandmother, well you can imagine how I felt toward her immediately. She will be missed. She was an asset to us. It teared me up when she told me that she felt like her time was up working. I tried to entice her but her mind was made up. I know you all will miss her greatly. May God send His Spirit to comfort you in these times. Sincerely, Don Daniels Co-Owner of Bolton Funeral Home

“ We are at a loss for adequate words to express our sadness for you. We are had the blessed opportunity of knowing your mom and sharing our love of art with her. We know heaven just received one of the most special angels. The reflection of your mom in the way your mother treated people with respect and empathy. Not to mention the way she made each person feel loved. We are so sorry for your loss.
