“ With in our hearts,the ones we love are never really gone- In spirit and memory,their legacy live on. We all have great memory's and story's of our Uncle Bobby. He was the person that would ask how are you doing and you new he really wanted to know.He would always start a story with his head a little cocked a smile on his face and a drawn out Well let me tell it the way I remember it. He was part of the sole of our family. When we all gathered in Wilton it was some of his favorite times. He really wanted the family to gather there again. There was a lot of love in that house in Wilton. It is where our story began. Uncle Bobby go rest high on that mountain with Mom,Dad Margret and Jake. Carry on Robby your dad would want you to! “ I will miss my Uncle Bobby very much! He was "One of a Kind"! He always had a smile and a laugh and a story to add to the any conversation. I never had the privilege of getting “hypnotized” by Bobby however, I must say he could be “hypnotic” at times (ha, ha, and many females would agree)! I have great memories of Bobby and I am very happy to say I had great and fun times with Bobby, too. He was always trying to find a “good man” for me to marry and promised one day that man would come along. Well, Bobby “I am still waiting” (Ha-ha). I will always cherish the fond memories of Bobby and he will be missed by all. To be absent from the body is to be present with the Lord. Although Bobby is gone, his love and spirit for life and for everyone will live on. Miss you Bobby. Rest In Peace, now. Your niece, Margaret Kathryn (Kathy) Nichols “ Summer (Margaret Gwen Saunderson “ Nichols and Jake D Nichols, daughter).

“ I'm sorry for your loss. I lost my father so I can understand your pain. Death is never easy to accept which is why it's called an enemy in the Bible at First Corinthians 15:26. But Jesus gave us a hope based on the Bible at such scriptures as Isaiah 25:8, Isaiah 26:19, and Revelation 21:3-5. Isn't this good news? Please read these scriptures in your own Bible. Sincerely, Rosemarie
