“ She sat beside me in class. And her smile made me smile. And always happy. Its not the same now that shes gone. But now when she smiles at God, she makes him smile. And I know I will see her again one day. your friend, Noah

“ *Im so sorry for your loss. Brailyn came to my room many times with her friend so we could have her note signed allowing them to spend time together after school. She was always sweet and respectful. She always had a smile. She will be missed*

“ *Brailyn was one of my students. We all loved her dearly. She was such a friend to all, and just enthusiastic about school. She left a hole in all of our hearts. We all miss her and love her. She knew that too. Anglewings.*
