“ *My big bro was a little on the wild side at times, but you talking about someone you could set a clock by, as far as him being there for you.
If he Consider you family There was nothing or no one that was going to stop him from being there for you.
He Would walk-through fire would sacrifice everything To help , That Was just the type of person he was. I love you brother now. See you again one day. Blake Kelley.*

“ *I never had the pleasure if meeting Brian, but I have heard a lot about him from Rasheed. Losing someone that you love is never easy but remember that we are only separated from them briefly. Our time here on earth is temporary so when you meet in heaven it will be for the rest of eternity. I am praying for your family to find the strength to get through this. When it seems impossible, lean on the Lord, he will carry you through even the toughest of times.
With warm thoughts and never ending prayers,
Heather Harris*

“ He was a very sweet and funny guy. He had the ability to make you laugh which is exactly how Earnest and Gary and the rest of the Kelley boys handled things. A very handsome man and I know he will be missed. I will be praying for ya'll.
