“ Mr. Brian (or BP as his daughters and I lovingly and jokingly called him) was a great and godly man. He fed me way too many meals and let me stay at his house way too many days in a row on more occasions than I can count. He definitely became like a second dad to me and always made me feel welcome with his family. I am very thankful and hope to follow that example for my children's friends one day. I hope one of his many rewards in heaven is a perfect slice of beach he can prepare and enjoy with his family when they join him one day- he sure did love his beach trips!! RIP BP.

“ Brian was an amazing friend. He and Lana took Julie and I in during the snow storm our first year of pharmacy school and I remember the two of us studying in the floor in the bedroom while Julie and Lana played with the twins. What great memories and a fantastic family and true friends they all are to us. God speed my friend and love you forever. Bobby Kennedy.
