“ SO very sorry for your loss. I heard about this accident at church from a little girl that was in her class, and also read this in the paper. Your daughter Brynleigh was a beautiful girl and a child of God. I know she is happy with Jesus now, however, your loss must feel overwhelming. Please accept our sympathies to your family and know that we are praying for you. May God bring your peace and comfort as He walks with you through this time.

“ Dee and Michelle Our words are not adequate to express the sorrow we feel for your loss. We feel so blessed and lucky to have known Brynleigh beauty. Losses like this can sometimes make us challenge our faith; however, this is precisely the time when our faith needs to be its strongest. Our prayer is that your faith will help you through this very difficult time and help you to know that God's purpose is a work. May God continue to strengthen you!
