“ My Uncle Calvin was truly a special person. He was a leader in his community and a faithful member of his church. While principal of Vincent Elementary he served as a beacon for scores of educators helping us to become better teachers and to use our special abilities for our students. I am certain he missed Anne, the love of his life. He loved and was proud of his family. He will be missed by friends and acquaintances as well. The highest praise I can give him would be to say he was a good man.
