“Candy was a fixture in our home when she was young. I remember her as always smiling and fun to be with. I had not seen her for some years, but know she will be missed by all who knew her.

“I first met Candi at Revival Center, and always felt a kinship with her, she was (and still is - in Heaven), a very sweet, warm and loving human being. She had a kindness about her that just invited you to be her friend. My love and condolences to all her family, may the Lord comfort you all and may you all find in Jesus what Candi found, so you can be reunited one day. Y'all are in my prayers!
