“ *When I was a young boy, my dad was not in my life but my Uncle Charles stepped in and taught me so much about being a good father. At the time I was not aware that he was also teaching me how to be an uncle raising my niece as my daughter. I will never forget his heartwarming smile that had that kind chuckle behind it.*

“ *Will never forget the night of Colton's graduation and we are all helping Nana and holding onto her and we begin to look for Papa and he is no where around and we look and we see a glimpse of him and he is already heading to the car.*
