

Christopher Maxton Dupree

September 24, 1972 - September 24, 2024

Christopher Maxton Dupree, age 52, of Columbiana, went home to be with the Lord on September 24, 2024. He was in UAB hospital and suffered complications after battling leukemia.

Chris is survived by his wife: Kim Dupree; his son: Austin Dupree; his daughters: April Yeargan and Allie Yeargan; his sisters: Sharon Shaul (Myron) and Elizabeth Shoemaker; his step-brother: Nic Weymouth (Liz); his mother: Sandra Vanderslice (Roger); and his step-mother: Cheryl Dupree.

He was a devoted husband, a loving father, and son. He was a long-time employee of Alabama Power.

He is preceded in death by his father: Frank Dupree; and his step-daughter: Brook Yeargan.

Due to the circumstances surrounding his death, the family has decided not to have visitation or a funeral service to allow time to grieve. There will be a graveside service only at Pinelawn Gardens on Monday, September 30, 2024 at 2:00 PM.

In lieu of flowers, anyone interested in showing their respects to the family can donate monetarily to his wife as she navigates this life challenge. There will be

an account set up at Bryant Bank for Chris Dupree- funeral expense. We appreciate all the love and prayers that all of our friends have showered us with over the past 6 months.

Please sign online condolences at www.boltonfuneralhome.com.

“ Chris was a pleasure to work with at Plant Gaston. He was always dedicated to doing a great job and he was never satisfied with the status quo. He had the record for the number of computer monitors you could have in one office! Seems like there were 6, or maybe 9... He was always watching his equipment. I know from discussions that re really he loved his family, too. He will surely be missed.
