“ I didn't know or ever get to meet Tubby but I am with his nephew, Brandon Baldwin (Jimmy Joe's son) and I know he was loved by them. Both Jim and Brandon are heartbroken and have been recalling memories of Tubby to share with me. I wish I'd gotten to meet him. My love and prayers for peace and comfort go out to all who knew and loved or liked him.

“ Clarence was my friend and colleague. I always appreciated that he worked hard at his business AND he made time to enjoy time away from work...especially at the golf course. He taught me much about the sewer cleaning business. He taught me much about the game of golf. He inspired me me to appreciate my ability to work but to also mix in time to enjoy family and recreation. I always enjoyed how he loved to tell me about the horses and what Matthew was doing. I valued his friendship through the years. I will miss his laughter and his infectious smile. I'll not say "goodbye Clarence"... rather I say "I'll catch with ya later on my friend".
