“ To Sister Joan and her family, you're in my thoughts and prayers. I didn't know Clay. I saw and spoke to Clay a couple of times at Amazing Grace Church. It makes me happy to know that Clay brought love, light and laughter to others.

“ clay, the friend you were. the way you lit up the room when you walked in it was like no other. 2022 we went to the rod concert, you were so excited to attend with our group & immediately offered to drive. we were delighted to have you attend with us, you made it a blast and had no problem taking my pictures . i've never seen you have a bad day, you were always the happiest. i'll forever cherish our memories together from the concert, to popping up at my job, to the tiktoks you sent/tagged me in just because they reminded you of me. miss you forever.
rest in peace bud- deanna
