“ I remember Clint coming to our house and hanging out with Keyla and Aubri. They had such a good time just riding around and spending time together. I also will never forget that sweet smile and how he always had a hug to give me. I love you Clint and you will be forever missed. To the family, I just want you to know that he has touch a ton of lives. I just pray that one could have changed their life and given it to our Lord and Savior from his example. I am here if any of you need anything. Love you all.
