“ I am deeply saddened by the loss of such a precious soul. Connie and I went to high school together. It's sad that after graduation so many of us lost touch with each other. But if we ever met it was just like where we dropped off. My prayers are with her husband, Mrs. Watson, her children and grandchildren. May God bless you with precious memories ! You all will be in my prayers daily. Big Love, ❤️

“ Connie... you were the sweetest. I remember our cheerleading days at Greenwood and touching base over the years on FB. Fun occasionally running into each other. Just always a warm encounter. God Bless your family as I am sure they will miss you terribly. Gone way too soon.

“ We have been friends for over 30 years. Not in constant contact over the past few years, but I had got into the habit of sending her morning messages the past several months. Regardless of how long it had been, whenever we saw, or talked, to each other, it was like no time had passed. I will miss our talks Connie. I'll remember the good times we had when we were both single, and how you were such a good friend!
In my memories forever.
