“ Sweet. Connie! You have earned your wings so young. I remember the sweet little girl at the family reunions that always had a smile and a hug. I am so glad I was a part of your life. You will be missed! Rest high!

“ Connie was the best nana you could ever ask for, you always knew she loved the grand babies, I know this bc my oldest was the first to make her a nana. She will surely be missed but thanking god every day she is with him. Sending prayers and comfort to Kenneth and the whole family.
We love you
