“ *My Aunt Dana has always been special to me. She had a way of making others feel special too. She was so easy to talk to. I am so glad I got to spend a good bit of time with her these last few years. Our weekly trips to the beauty parlor with her and Mom were always fun. She lived a good life and endured much heartache but still managed to soldier on. Thank you for always being there for me. You are missed and loved very much!*
