“ *I am so sorry for your loss, I never know what to say but I understand exactly how it is to loose your partner. My prayers are with you as you continue the journey called life. I am here if you need someone to talk to..*

“ *My dear husband, It is so lonely here without you, knowing you will never walk through the front door after a long day and greet me with a big kiss and your smiling blue eyes. It's going to be so hard facing each day without you, for you will always be the love of my life. You are gone my love and will certainly never be forgotten, I will miss you forever. Rest In Peace.*
