“ I made your wish come true, your just right down the road from me now. I'll stop by and visit with you from time to time! I love you dad.....

“ I just remember all the times we spent together as children playing outside while our mothers visited. Swimming in creeks, sliding down dirt banks, swinging on rope swings that Uncle Fred made, drinking water out of the hose pipe on hot summer days. Daryle was always funny, always laughing and loved to joke. Even though we have all grown up and gone our separate ways he will be missed in my heart. My sympathy goes out to all the family.
