“ I have such great memories growing up with David. He along with the rest of the guys were more than cousins, they were like big brothers. There are many tough days ahead for you and the boys. Unfortunately Mom and I know from experience. But your family, friends and church family will be there to get you through. I pray that God will give you peace and ease the pain. I love you guys! “ Dear Beverly and family, You have been in my thoughts and prayers since I heard of your terrible loss. My heart aches for the suffering that I know you must all be going through. Ben and I came Friday night but there was such a crush of people that we didn't get in to see you. I hope that the knowledge of how you, David, and your family are loved and respected in this community will offer some small solace. You'll always hold a special place in my heart for the friendship and good times that we shared in high school. I'll keep you and your family in my prayers during this hard time. Love, Beth
