“ I am sooo very sorry to hear of David's passing, which I learned about from my son via a facebook post. I wish I had know sooner & could have visited him at the hospital & attended his funeral to pay my respects in person. David was a very good friend to my son for many years, & would have done anything for him, as well as for me. He would always invite me to go horseback riding with him, & now I am sorry that I never did. I was able to talk to him about the Lord recently - the last time he was at our house. I know he believed in God so at least I know he is at peace in heaven & we will see him again there one day. I pray that God will reward David for his heart, his love, & the concern he had for me & my son. I am so sorry I didn't know the world had come down on David so hard that he opted out. I so wish I could have done or said something to help him. My thoughts & prayers are with David's family, friends, & loved ones that are left to carry on without him. David will be greatly missed & I will always have a special place in my heart for him. I cherish the many memories I have of him throughout the years. God bless, ~ Pamela

“ Happened to be looking at the Obituary column and saw David's name. So sorry to hear of this. Charlie and I had been to his little "cabin" with Mr. Rosser about a month ago. Really liked that young man.
