“ Preston was one of my first mentors that I met at the age of 5. He & his wife Nancy watch us during church as my mother played the organ for Shelby First Baptist Church, and on occassion, after church, I & my sister would get to go home with them for the day after church. They never forced to do anything if we didn't want. I will deeply miss you Preston!! Nancy, Alan, Larry & Joseph, you are all in my prayers. God Bless you all!!!!

“ Uncle Preston was one of the kindest, most giving people I have ever known. He was so full of love for others and showed it in his always present smile. I don't think he ever said an unkind word. After Daddy passed away, Uncle Preston was my "go to" person for so many questions. Like all of the family, I will miss him so - but I know they are pick'n and sing'n in perfect harmony in heaven!!! I love you Uncle Preston
