“ I'm sorry for your loss. I lost my father last year so I can understand your pain. Death is never easy to accept which is why it's called an enemy in the Bible at 1 Corinthians 15:26. Jesus gave us a hope based on the Bible at John 11:25: "I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life." So, we will be able to see our loved ones again by means of the resurrection. At that time we will never have to lose them again. Why can we say that? Because God has promised us this in the Bible at such scriptures as Isaiah 25:8, Isaiah 26:19, and Revelation 21:3-5. Isn't this good news? Please read these scriptures in your own Bible. Sincerely, Ms. Simmons

“ With the passing of my best friend, "Slim" Joiner, It has left a large void in my heart. Some of my families most cherished memories is when we owned the music store in Columbiana 30 years ago, and Slim, Hylatt Armstrong, Charlie Ebert and a host of family and friends would get together and play music & laugh until our back's would hurt! Slim was a little man with a giant footprint. He had something that most of us dream of, hundreds of loving, caring friends. When I traveled & played music it never failed that someone would ask us where we were from, and when we said Columbiana, The 1st thing they would ask is if we knew Slim Joiner the guitar picker. He was a legend to all. I will always cherish you brother, Charlie

“ Some of my family's best memories is when we owned the music store in downtown Columbiana, and Slim and Hylatt, Charlie Ebert and a room full of family and friends would play music, sing and laugh until our backs hurt! Slim was a little man with a giant foot print. He is a legend to all who knew him. When I traveled the road playing music, folks would ask me where we were from. When I told them Columbiana, The 1st thing they would ask, is if I knew Slim Joiner! Can you imagine what incredible music is being played in heaven! I will always love and cherish you in my heart forever, Charlie, Teresa & family.

“ *To the family of Slim. He was a good man and he will be very much missed. My Daddy and Slim was good friends and we used to go over to his house all the time. My Daddy liked to hear him play music. Slim is gone now but I can still here him playing his music.*
