“*Mrs. Moody was a wonderful teacher. I still can remember a few pieces of Romeo & Juliette and Stopping by Woods on a Snowy Evening and can still conjugate verbs. My thoughts and prayers are with your family.*

“*Mrs. Moody was my 11th grade English teacher. It was a time in my life when things were difficult. She always cared and had a heart for all of us. She taught me so much more than English. It is because of her and the Lord's guidance that I became a teacher 20 years ago now (Tallassee City Schools, AL). You made a difference in my life and I will never forget you.*

“ I loved this lady so much. She was my favorite teacher. I have a lot of memories with her but the one thing that always comes to mind is her love for the Jr. Civitian Club. She always had a project for us to do. She taught me the value of helping others and for loving others. The first time I worked with Special Olympics and it was awesome. I will cherish all my memories of her and all the love she showed to her students. I love you Mrs. Moody and I miss you very much. I know that you now have a new body and can run the streets of gold. Your new body with no pain. I look forward to the day that I get too see her again at the feet of our savior.
