“ *To the Morrison Family and Sue - I am so sorry for your loss. I have many good memories from our high school days at Jones Valley, spending time in her home, and going to the all-night singings at the Boutwell Auditorium with Denise and her Mom. We lost touch after graduation, but I did get to speak with her a few months ago. Heaven has gained an angel. Praying God grants you peace and comfort as you learn to navigate life without her. - Marie Smith Gamble*

“ Dear Donnie: I am so very sad at the homegoing of our sweet wonderful Denise. She was a great friend to all who knew her and I loved being in the South Park Choir with her and church with her. She will always be remembered. Know my prayers are with you and I pray the Holy Ghost to comfort you and surround you in these dark hours. You both are dear friends and I will truly miss her.

I have so many memories of Denise. Some funny and some very serious. We were friends for almost 50 years. She lived with me for a while. We went on some trips together. I will never forget our cruise to Alaska we went on. I loved her just like a sister. She would call me and sometimes we just talk and sometimes we cried. Saying goodbye to my precious friend is bitter sweet. The human side of me is so sad and didn't want her to leave but as a Christian and knowing the life she lived there is not a doubt in my mind where she is. And I will meet her again one day. I love you Denise and you will live in my heart forever.
