“ Sweet Dinah, you were one of a kind. Always ready to help someone. So glad we met back up and kept in touch. Will miss our phone calls so much, nothing to be on there for 2 hours. Talking and laughing, and you always witnessing for the Lord. You were such a good hearted person. This is the only photo I have. This is where it all started. Aunt Viva Pearl, she always looked like our Mama Duncan. I Love You Dinah and now you're with all of them.

“ Dinah was always so joyful and a genuinely caring person. I always admired her commitment to her friend Sarah, always making sure she had a way to church. Dinah once told me in a bible study we attended together that she loved to draw or paint a picture for her loved ones. Her thoughtfulness and kind gestures will certainly be missed by many. Thank God we have assurance that she is with her Savior in complete peace. She will be deeply missed.
