“ Papa,

I pray that you're reunited with Nano in heaven and that you're both watching over all of us now. I also hope they have 4-wheelers and horses in heaven so you can give me another ride on Cherokee when we meet again.

Love you always, your grandbaby Karen Griffin Lovejoy

“ *I couldn't wait till you pulled up in that old air stream when I was a child. I asked you oh so many questions. Remember you coming to the hotel and packing up our room making us stay with you at your home many many times.*

Fun times at the lake. Your smile and jokes could light up a room. You met my husband in 1986 and you always called him Ralph and he respected and loved you so much. We both are going to miss you. The memories will forever be in our hearts. Love you and kiss everyone in heaven. Until we meet again.
