“ I will never forget you Donna you were always so full of life and happiness. I can't believe that you're gone & it breaks my heart that I didn't get to say goodbye. I had no idea that you passed away until it was too late. It does bring me comfort knowing that you're up in heaven now with Ashley. You were loved and will be missed dearly. We will never forget you or your smile thanks for all the memories we got to share together. I love you & just still can't believe that you have passed on.

“ When we think of Donna... generous, kind, always ready to lend a hand, genuine, a person you always wanted to spend more time with, and a servant heart. We never spoke to her when she was not trying to help someone else. She lived a true others first lifestyle and was a valuable member of Grace Klein Community. We are heartbroken to hear the news. Sending love to the entire family.

“ *We met Donna years ago when she was working at Longhorns on 280. Her personality exuded love for people and a servant's heart. We certainly felt her character in our communications with her over the years. God called her at such a young age, but she is in a perfect place and no longer in pain. We loved Donna and will miss her.*

“ I am thankful for the memories I have of our friendship and time we spent together. There was a time when we didn't go a day without seeing each other. Our lives changed and we went different directions but the love I have for you never changed. I will always have the memories. I will truly miss you!! Love thoughts and prayers
