“ My heart is hurting along with Donald's and Donna's entire family & friends. I could not physically be with them at this painful time but my heart is there with each one of you. Many times I was asked to be with you all eating a family meal or just visiting. Hugs abound and the warmth of each of your love shared. I had so hoped to be with you all during this time but was physically not able. I am sending my sympathy vis this. I love each & everyone of you. Donna was a very sweet, loveable lady with a heart of gold. I have many memories of her kindness I will keep close to my heart. Hugs & love to each of you. Frances Sides.
