“ Dear Rohan family,  
We are sorry to hear of our loss. What a great person, friend and neighbor back in Indiana. We have so many fond memories of you all. Donna always knew where to find you when she got home, she knew you were at our house swimming or basketball!!  
Brian and I retired and live in Florida now. Tracy let us know. And I want to let you know we also thought your mom and dad are special people ,take care of your dad.  
I also see you both have children of your own where has the years gone!!!! Brian and Vonda

Vonda and Brian Jacobs - October 27, 2020 at 01:48 PM

Thank you Vonda. I remember always swimming at the pool and sitting with Tracy on the bus to school. It seems like it wasn't as long ago as it was. I hope you are enjoying the warm Florida weather. I know we like the Alabama weather compared to Indiana. Please let us know if ever in Birmingham.

“ My friend, my neighbor, y fellow flipflopfluzzy! Donna and I shared so much. The experience of raising children, being neighbors with other great families, sweet loving husbands! The most memerable for me was her complete dedication to God&Jesus, family and friends! The love for Paul, Mindy, Casey, her sisters and her friends always filled me with compation. Her newest love in her life were Grandaughters! Her cup raneth over!!! I will miss her forever, loved that she chose me as a friend and will always be sad for all the family that have lost her, for awhile!!! Paul, Bill and I are sending you something!! Love you all! Thank you. Mom couldn't wait for grandchildren. Although it happened later in life for Casey and I, I knew we would eventually have kids. I selfishly wished she was around longer to enjoy them and for the kids to know her like I knew my grandmothers. However, she is no longer in pain and not sick. God was calling her home. She definitely had a strong love for god and family. I have always remembered the good times of growing up in Hockley. We haven't lived in a close nit neighborhood since then; where the parents were also good friends. I am glad I have such great memories of my mom. She will be missed!

“ Donna, my sister in-law was a beautiful person; inside and out. She loved with all of her heart God, family and friends. She adored my brother, Paul and he adored her. She was so proud of Mindy and Casey and their families. Her kind heart will be missed! Love you Donna!

*I pray my marriage has a love like my parents had for each other. They both put god first and respected each other and the 10 commandments. I pray I am as strong in God as my mom was. I know she is in heaven excited to catch up with my grandparents and uncle's.*

“ *Paul, I am at a loss for words. I'll never forget when Les and I first visited you when Mindy and Matt were just babies - I had no family here and Donna helped us tremendously with advice on how to do things. She was the sweetest and I know her family will miss her. Donna will always always be there with you - you just can't see her but you will forever feel her presence. Much love to you and your family. ❤️❤️❤️*
