“ I worked as a dispatcher at Pelham with Donnie. Donnie was a good friend who I could always talk to anytime. I always enjoyed when he would come into dispatch for a visit. Donnie will be missed greatly.

“ Sorry to hear about Donnie. Although we lost contact over the years, I worked with him on many cases during the 1970s. He was always funny and had a light hearted personality. Plus, he taught me the fine art of “dumpster diving” as he would make his rounds on Southside Birmingham recovering “useful” material.

“ Always loved our beach trips...over the years we have often laughed as we remember some of his “one” liners...some of my favorites: “You can never have enough ice” and “The blues are running!” It was always his goal to catch enough fish for our beach dinners! He is missed by all.
